# Annual Report

## Town of Nelson 2007

## Nelson Safety Building Addition March 2008 Report

Most every Saturday morning a group of hard working volunteers can be found behind the Town Barn working on the addition to the current structure. The addition will house the Town's Police Department, provide much needed sanitary facilities for the Fire Department and includes a common room to be used for emergency shelter, training, or town and community meetings.

At last year's Town Meeting the Town approved a \$150,000 bond article based on concept designs presented by the ad hoc Facilities Committee. Following Town Meeting an oversight committee was formed to keep track of the project, organize volunteers and look for local experts who would contribute their skills and resources to the project. The committee's first task was to take the suggestions made during Town Meeting and modify the design to provide the lowest cost, highest value facility possible.

Construction began in late May, pouring footings, foundation and floor, and the well was drilled. Exterior framing was completed in July and walls, roofing and the septic system were completed in August. Insulating, exterior windows and doors were finished in October & November, completing the exterior of the building (except for minor trim work and staining). Since November crews have moved inside completing interior framing, wiring, plumbing, heating, insulating and sheathing. Sheet rocking painting, interior doors have now been installed and plans are in place to complete flooring, cabinetry, appliances and the security system..

So what has this cost? To date (February 20, 2008) the project has cost the Town \$77,647, the oversight committee estimates remaining expenses of \$15,000 to \$20,000 for a total expense of approximately \$95,000. A savings of \$55,000 from the bond article! The committee estimates completion of the building in the April – May time frame. This is a remarkable demonstration of the power of a volunteer effort and another fine example of what makes Nelson such a special place.

To try to recognize everyone who has contributed their time and effort to this project would be both a challenge and a danger as I am sure to miss someone. Suffice to say that many people have contributed their skills and time to this successful project. The oversight Committee would like to take this opportunity to thank all those who have volunteered or contributed to our new Safety Facility: The laborer's who have given up many Saturday mornings and; the ladies who have coordinated and prepared food and beverages for the crews. The committee would also like to thank those who made generous contributions to the Project: Peter Brnger, Millwork Masters, Sam Bouchie, Keene Door, Hamshaw Lumber and Barry Tolman.

Respectfully submitted

Lew Derby  
Clerk, Safety Facility Oversight Committee

# **ANNUAL REPORT**

**Of the Town Officers  
NELSON, NEW HAMPSHIRE**

### SELECTMEN'S CERTIFICATE

This is to certify that the information contained in the following reports was taken from official records and is correct to the best of our knowledge and belief  
Jane S. Kirk, Chair; Charles O. Lang and Samuel A. Bouchie, Nelson Board of Selectmen

### AUDITOR'S CERTIFICATE

I hereby certify that I have examined and audited the accounts and records of the Town of Nelson for the fiscal year ending December 31, 2007. The records and accounts include those of the Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of the Trust Funds, Cemetery Board and Library Trustees. To the best of my knowledge and belief, I certify that these accounts and records are true and correct.

Carol Newcombe, Auditor

### TOWN WARRANT

**TO THE INHABITANTS OF THE TOWN OF NELSON, IN THE COUNTY OF CHESHIRE, STATE OF NEW HAMPSHIRE, QUALIFIED TO VOTE IN TOWN AFFAIRS: YOU ARE HEREBY NOTIFIED TO MEET IN THE TOWN HALL IN SAID NELSON ON TUESDAY, THE 11<sup>TH</sup> DAY OF MARCH, 2008, AT 11:00 TO ACT UPON THE FOLLOWING ARTICLES:**

**POLLS WILL OPEN AT 11:00 AND CLOSE AT 7:00 PM.  
BUSINESS MEETING WILL START  
AT 7:00 PM.**

### ARTICLES OF A GENERAL NATURE

1. To choose necessary town officers for the year ensuing.
2. To see if the town will vote to raise and appropriate the sum of \$209,690 to be raised by taxes. This to defray Town charges for the year ensuing. The Selectmen recommend this appropriation.
3. To see if Town will vote to raise and appropriate the sum of \$4,500, (and not to exceed this amount), for the engineering plans of the Box culvert/Spillway at Granite Lake.
4. To see if the Town will vote to raise and appropriate the sum of \$25,000 (and not to exceed this amount), for the reconstruction work of the Box culvert/Spillway at Granite Lake.
5. To see if the Town will vote to raise and appropriate the sum of \$28,387 for support of the Town Library. (In 2006 the appropriation was \$26,390).  
 \$20,600 to be raised by taxes  
 \$ 7,787 Income from Library memorial funds and other sources.
6. To see if the Town will vote to raise and appropriate the sum of \$3,376 support of social service agencies which provide assistance to Nelson residents. The agencies chosen to receive funds are: Home Health Care (\$550), Monadnock Family services (\$826), The Keene Community Kitchen (\$1,500) and Southwestern Community Services (\$500). The Selectmen recommend these appropriations. (In 2006, these same agencies received contributions from the Town in the amount of \$3,358.75).
7. To see if the Town will vote and appropriate the sum of \$10,000 to be added to the Town Buildings capital Reserve Fund. No withdrawals may be made from the fund except by vote of the town. The selectmen recommend this appropriation. (2006 appropriation was \$10,000.) The fund balance on 12/31/2007 was \$32,026.55.

**8.** To see if the Town will vote to raise and appropriate the sum of \$3,000 to be added to the Milfoil Prevention and Treatment Expendable Trust Fund. The Selectmen and The Conservation Commission approve this article. The fund balance as of 12/31/2007 was \$6152.32.

**9.** To see if the Town will vote to raise and appropriate the sum of \$575 used for hazardous waste collections for 2008 consisting of 24 collections per year. The Selectmen recommend this article.

**10.** To see if the Town will vote to raise and appropriate the sum of \$8,071.53 as subsidy for ambulance service for the ensuing year, it being understood that residents will still be charged for individual calls. (The appropriation for 2007 was \$6,565). The Selectmen recommend this article.

### **ARTICLES DEALING WITH SERVICE AND PROTECTION**

**11.** To see if the Town will vote to raise and appropriate the sum of \$15,000 for the proper expense of the Fire Department and Rescue Squad. (The 2007 appropriation was \$12,500).

**12.** To see if the Town will vote raise and appropriate the sum of \$500 for the purpose of fighting forest fires. This sum to come from reimbursement from the NH State Fire Warden and no amount will be raised through taxation. The Department of Revenue recommends this method of accounting so as not to impact the Fire Department's operating budget. The selectmen recommend this article.

**13.** To see if the Town will vote to raise and appropriate the sum of \$25,000 to be added to the Fire Equipment Capital reserve Fund for the purpose of Fire apparatus for the fire department. No withdrawals may be made from this fund except by vote of the town and upon recommendation of the Fire chief. The fund balance as of 12/31/07 is \$78803.15. The Selectmen recommend this article.

**14.** To see if the Town will vote to raise and appropriate the sum of \$1,500 for the proper expenses for the Emergency Management Project. This article is recommended by the Emergency Management Director and the selectmen.

**15.** To see if the Town will raise and appropriate the sum of \$37,949.59 for the proper expenses of the Police Department. The Selectmen recommend this article. (The appropriation for 2007 was \$33,000).

**16.** To see if the Town will vote to raise and appropriate the sum of \$3,000

for the purpose of patrols performed by the Nelson Police Department for the state of NH, Cheshire County, Sheriff's Office and other authorized municipal entities. This sum to come from offsetting grants and no amount will be raised through taxation.

### **ARTICLES DEALING WITH ROADS**

**17.** To see if the Town will vote to raise and appropriate the sum of \$215,000 for the purpose of the maintenance of highways and bridges for the ensuing year's budget with \$36,080.92 coming from the Highway Block Grant, with the remaining \$178,917.08 to be raised by taxes.

**18.** To see if the Town will vote to raise and appropriate \$50,000 for purchase of a Tractor Loader Backhoe and to authorize the Selectmen to withdraw \$47,000 from The Road Equipment Capital Reserve Fund with the balance of \$3,000 to be raised by taxes. The total cost for the Tractor Loader Backhoe will not exceed \$50,000. The Road Equipment Committee recommends this withdrawal.

**19.** To see if the Town will vote to raise and appropriate the sum of \$20,000 to be added to the Road Equipment Capital Reserve Fund. It is understood that no withdrawals may be made from this fund for the purchase of road equipment except by vote of the town upon recommendation of the Road equipment Committee. The Road equipment Committee recommends (which includes the Selectmen) this appropriation. The fund balance on 12/31/2007 was \$48,022.70. (The 2007 appropriation was \$15,000).

**20.** To see if the Town will vote to raise and appropriate the sum of \$25,000 to be added to the Capital Reserve Fund for the Salt Barn and Storm-Water site work, at the Town Barn on Old Stoddard Road. It is understood that no withdrawals may be made from this Fund except by the vote of the Town. The Selectmen recommend this appropriation. (The balance as of 12/31/2007 was \$141,190.46).

**21.** To see if the Town will vote to have the Sexton's position to be an appointed position not an elected position. This will become effective at the March 2009 town election. The Selectmen recommend this article.

### **ARTICLES DEALING WITH PLANNING & ZONING**

**22.** To see if the Town will vote to raise and appropriate the sum of \$727 for dues to belong to the Southwest Regional Planning Commission. (Dues was \$722 in 2007)

**23.** Are you in favor of the amendment of the Nelson Zoning Ordinances, Article 2, to include a third district, namely the Great Meadows Wetland Conservation Overlay District (GMWCOD)? This ordinance, adopted under the authority granted pursuant to RSA 674:16, Grant of Power, and RSA 674:21, Innovative Change and Use Controls, is for the purpose of protecting the public health, safety and general welfare by promoting the most appropriate use of the land and to protect the wetland ecosystem and water quality in accord with the goals and objectives of the Master Plan, as presented at the Public Hearing on January 10, 2008 and approved by the Planning Board. **(By Ballot)**

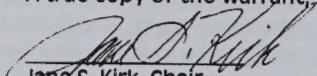

#### OTHER ARTICLES

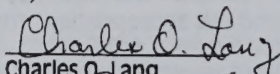

**24.** To see if the Town will vote to raise and appropriate the sum of \$1,200 to purchase and install a Reverse Osmosis filter system to provide a safe drinking water for the Library and Town Hall. This system will correct the problem of high Total Dissolved Solids, high Chloride and Sodium, in order to bring the water up to EPA drinking water standards.

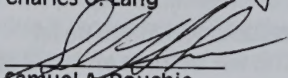

**25.** To transact any other business or discuss other warrant proposals as may be legally brought before the meeting.

Given under our hands and seals this 8<sup>th</sup> day of February in the year of Our Lord, two thousand and eight.

A true copy of the warrant, Attest:

  
Jane S. Kirk, Chair,

  
Charles O. Lang

  
Samuel A. Bouchie  
Selectmen, Town of Nelson, NH

## Selectmen Town Report

In ten years work at the town office, work has increased ten fold! Business has multiplied enormously due in part to a number of new residents, new subdivisions, two town-wide property assessments, many new laws, etc.

We appreciate the hard work and loyalty of all the town officials and employees. The quality and quantity of their efforts have made it possible for the town to continue to render excellent service.

The highlight of the year has been the team effort of numerous residents in the construction of the new safety building. It will house a decent office for our police chief; also, a new bathroom and a kitchen have been added in the fire station.

The entire building including the highway department is being completed to serve as the town emergency center in case of a catastrophe. The volunteer work on the safety building construction has saved thousands of dollars for the taxpayers. We salute all who worked on the construction, all who contributed building supplies and to all the ladies who made sure that there was ample home-made food available for the coffee breaks and lunches.

Sam and I want to offer special thanks to Charlie Lang for serving as selectman during the past six years. We shall miss him terribly! We wish Charlie an abundance of good health and happiness in the years to come!

Jane Kirk, Chair  
Board of Selectman

## NELSON FIRE LOG

Structure - 1	Brush - 0	Rescue - 29	Mutual Aid - 5
Motor Vehicle Accident- 11	Chimney - 1	False Alarm - 4	Cover - 0
	Other - 4	Training/Drill - 5	

## REPORT OF THE NELSON FIRE CHIEF

We have had another busy year with regard to call requirements. This year has seen the number of calls be the same as compared to last years. Our total number of calls for this year is 55, which is considerably higher then the number of calls seen in the past few years. During that period the calls had been numbering in the mid-forties. Again, the Fire Log continues to show that rescue calls play a major roll in our activities.

We are looking forward to the completion of the addition onto the back of the Center Station on Old Stoddard Road. Our members and mutual aid companies will now have access to restrooms, a shower, and a kitchen and a larger meeting area. This will be a great plus in the future for supporting our activities. A training area, a place for group meetings or multiple fire department meetings will be a nice asset.

We have had our share of projects or activities that we have worked on or are working on. A major effort was put in with regard to the Apple Hill building construction. Being sure that Life Safety codes and other requirements were of prime importance. The state now requires the issuance of oil burner permits for new construction. This has been set up with regard to the new building permits and an inspection will be done. A new involvement this year is membership in the Keene Greater Area Fire Chiefs group. Eight-area town's now have their fire chief's meet on a monthly basis to discuss issues and make improvements. One area being worked on is an RIT (Rapid Intervention Team) for supporting at all structure fires. This group would deal with any emergencies at the fire scene with regard to firefighter safety. We are also presently working on the installation of an Oxygen filling station. Cost and turnaround for the rescues oxygen bottles from vendors has created some issues. With this unit we will be more self-sufficient. We are also in anticipation of our new computer. Our aim is to better interface with Mutual Aid in sharing information. Our call sheets and fire reports will be able to be automated with this interface.

I will mention this again as in years past, we are always on the lookout for individuals who are interested in joining the fire department, especially those who are or want to become an EMT (Emergency Medical Technician). The department will support the training activity for both fire fighter and EMT so that the individual can become certified. Anyone interested should contact the Fire Chief or a fire department member.

Remember, check your smoke detectors and replace the batteries on a regular basis, at least annually. If you don't have a smoke detector, please purchase one or two. They may save your life someday. Also, be sure to call the town Forest Fire Warden, Bob West or one of the Deputy Wardens, Bud French, Charlie Lang, Terry Mednick or myself for a burning permit. They are required even if raining, unless there is an inch or more of snow on the ground.

I would like to welcome the new members that have joined this year again and thank all the active members for their continued effort and support. I'd also like to thank our

fellow towns people for their support in the background at the various emergency scenes. Remember, to report a fire or other emergency, **DIAL 911 or 352-1100.**

Respectfully,  
Rick Lothrop  
Nelson Fire Chief

## EMERGENCY MANAGEMENT REPORT

Emergency Management Planning activities continue. This year started out with an interesting challenge. The Nor'easter that happened back in April '07, created a lot of problems with Nelson's infrastructure. Road damage to the point of being impassable was witnessed. Apple Hill Road, Brickyard Road, Holt Farm Road, Center Pond Road, Leadmine Road, Log Cabin Road, and other were impacted. Both the EMD and a Selectman represented the town in meetings with FEMA. On location surveys were done with FEMA and repairs made. Forms were filled out and submitted to FEMA and the state and with the emergency declaration; Federal and state aid were forth coming. Reimbursement has come from the federal government at 75% and we wait on the state's portion of 25%. Our Road Agent was right on top of things throughout this event and made roads passable in a short period of time. After that it was dealing with the repair work to restore them to be fore the storm. Thanks go out to all those involved and those who support this emergency.

Work has continued with regard to the All Health Hazard Mitigation. Our local POD continues to work together to define where and how we will respond if a health issue was to happen. I want to thank the town's people for their help with the survey. This information is being compiled and will provide for a great resource for whatever type of emergency that may come.

I want to also report, as I know others will this year, on the good progress that is being done on the addition to the Nelson Center Station. Having an area that can be devoted to emergency management will be a tremendous plus. As construction winds down, the facility will be prepared for whatever may incident that may happen. Having emergency power, a kitchen, restrooms and a shower will help support these types of activities. It will also provide additional functions in support of the fire department, police department, or just general use.

Respectfully,

Rick Lothrop  
Emergency Management Director

## POLICE CHIEF REPORT

Once again a year has come and gone so quickly. We have accomplished a lot of tasks in the past year, but there is still a lot more to come. We had a great time at the School for a Bike Safety Day; and we handed out more than twenty-five (25) bicycle helmets and spent time with the children, teaching and practicing the proper steps in having safety gear fit properly. As usual, Old Home Day was a great success and I hope everyone had a chance to meet the police officers. The police officers and myself enjoyed the entire day conversing with the town's people and the play on the softball field.

The town came together this year and with voluntary help from the Town's citizens have built a beautiful Safety Building that will serve the town for many years to come. The Safety Building will enhance the already professional Volunteer Fire Department and Rescue Squad. It will also give the Nelson Police department a very nice place to call home.

The calls have increased in the past year due to the fact that people are feeling more comfortable with the police department being available. The calls have varied from a cat in the house to a moose knocking on the door. There were also many calls of a more serious nature.

I would like to personally thank Selectman Charlie Lang for all the help and the town insights he has given me. I will miss him as a Selectman, but I will still be calling on him for his expertise and friendship.

I look forward to serving the town and enjoying another year of making new friendships.

Thank You All.

Your Police Chief, Richard C. Pratt, Jr.

## NELSON POLICE DEPARTMENT

## PROPOSED 2008 OPERATING BUDGET

Prepared by Chief Richard Pratt

Account Name	Current Budget	2008 Proposed Budget	Increase
Administration Expenses	\$14,738.00	\$15,180.14	\$ 442.14
Cell Phone Expenses	\$ 1,400.00	\$ 1,500.00	\$ 100.00
Cruiser Expenses	\$ 1,100.00	\$ 1,600.00	\$ 500.00
Equipment Expenses	\$ 600.00	\$ 800.00	\$ 200.00
Fuel/Gasoline Expenses	\$ 4,000.00	\$ 6,000.00	\$ 2,000.00
Mileage Expenses	\$ 500.00	\$ 500.00	\$ 0
Payroll Expenses	\$ 6,815.00	\$ 7,019.45	\$ 204.45
Supplies	\$ 750.00	\$ 850.00	\$ 100.00
Training Expenses	\$ 1,000.00	\$ 1,000.00	\$ 0
Uniform Maintenance	\$ 1,000.00	\$ 1,000.00	\$ 0
Prosecutor		<u>\$ 2,500.00</u>	<u>\$ 2,500.00</u>
<b>TOTAL</b>	<b>\$31,903.00</b>	<b>\$37,949.59</b>	<b>\$ 6,046.59</b>

## EXPLANATIONS:

**Administration expenses:** represents a 3% cost of living increase

**Cell phone expenses:** anticipated increase of \$100.00

**Cruiser Expenses:** with the warranty on the 2004 Expedition being expired and the age of the Crown Victoria we are anticipating needed repairs (add any further explanation at this time)

**Equipment expenses:** anticipated increase (as fuel prices going up so will everything else)

**Mileage expenses:** remained the same but probably should have increased due to price of gas

**Payroll expenses:** the increase on this line item reflects a 3% cost of living increase

**Supplies:** again anticipated increase raising cost of fuel

**Training expenses:** remained the same but again maybe should have increased due to anticipated fuel cost

**Uniform Maintenance:** remained the same

**Prosecutor:** this line item increased \$2,500.00 but it frees up officers from having to do misdemeanor arraignments. Martha will handle all motor vehicle and criminal matters in Keene District Court.

## ROAD AGENT REPORT

2007

In the early months of 2007, we did see more snow than we had in the past couple of years. With the snow melt and the heavy rain falls that took place, in April, flooding occurred with numerous roads being washed out. Damage to roads ranged from minor wash outs to a couple of roads becoming impassable. The last time the Town had seen flooding this severe was back in 1987. It took close to a month making the worst roads passable; however, the jobs of hauling gravel, grading, and repairing roads back to their original condition kept the Road Crew busy throughout the early summer months. The Town was fortunate enough to receive FEMA funding to help assist with a large portion of these extra costs.

In the late summer into the early fall months, in between the hauling of the winter sand and preparing for the upcoming winter season; the Road Crew was busy working on the Safety Building Project. The Crew could be found doing site work, working on the septic and well systems, and putting on the building roof. For the late fall into the early winter months, as you know, the snow, sleet, and freezing rains has kept us hard at work. December 2007 proved to be the snowiest one on record.

I would personally like to thank the Selectmen, members of the Road Equipment Committee, and the other Town Officials for all of their help and support. Many thanks are also extended to Nick Barrett and John Farwell for their help and their many hours of hard work.

The Highway Department does appreciate updates on road conditions in your area. The Road Crew will respond to any problems in a timely manner.

Respectfully submitted:

Mike Tarr

Nelson Road Agent

## 2007 HIGHWAY EQUIPMENT REPORT

This table shows road maintenance equipment owned by the Town and gives you, the tax payer, some idea of the usage of the highway equipment, plus today's value and today's replacement cost.

<b>Equipment</b>	<b>Current Value</b>	<b>Useful Life Remaining</b>	<b>Current Cost to Replace</b>	<b>Ideal Life Expectancy</b>
<b>1986 Grader</b> (Acquired in 1986) Plows, wings snow banks, shim work on pavement, ditch work, grading, cutting ice.	\$20,000	1 – 3 years	\$250,000	20 years
<b>1993 554G Loader</b> (Acquired in 1994) Loads trucks, moves equipment, cleans ditches, used as a wheel barrow.	\$20,000	1 – 3 years	\$150,000	15 years
<b>1998 1-Ton Light Duty Dodge Truck</b> (Acquired in 1998) Hauls brush and trash, pulls road rake, plows snow, used for odd jobs.	\$ 5,000	1 – 2 years	\$ 50,000	10 years
<b>1998 8-Yard Medium Duty Dump Truck</b> (Acquired in 1995) Hauls gravel, sand, fill and hot top. Plows snow, sands roads, used for odd jobs.	\$10,000	3 years	\$125,000	15 years
<b>2003 8-Yard Medium Dump Truck</b> (Acquired in 2004) Hauls gravel, sand, fill and hot top. Plows snow, sands roads, used for odd jobs.	\$50,000	11 years	\$125,000	15 years
<b>1989 12-Yard Medium Duty Dump Truck</b> (Acquired in 2006) Hauls gravel, sand, fill and hot top.	\$12,000	1 – 5 years	\$160,000	20 years
<b>John Deere 401B Tractor</b> (Acquired in 1991) Mows sides of roads, pulls road rake and roller. (Repaired in 2002).	\$ 3,000	0 – 3 years	\$ 50,000	20 years

Respectfully submitted,

Mike Tarr, Nelson Road Agent

## Town Archivist's Report 2007

Residents and visitors searching for family and local history continue to use the archives as a source for genealogical and historical information. Generally, the archives room is open on Tuesday mornings and at other times by appointment.

As way of bringing historical material to the attention of those who visit the town offices, the program of placing exhibits in the History Corner continued with the display called Munsonville Mills throughout the year because of continued interest in this historic area. In addition, an exhibit of material from the archives and the Nelson Congregational Church was included in an exhibit at the Historical Society of Cheshire County called "Sacred and Secular: Historic Meetinghouses and Churches of the Monadnock Region, 1750 to 1850". Photographs, communion pewter, and historic documents were on display until the end of March.

Residents and neighbors are encouraged to donate historical items to the archives and for use in possible exhibits. A bound copy of a booklet, "Ebenezer Tolman and Benedict Arnolds Canadian Expedition" was donated by Lyman Jackson, one of his descendents. If you have something relating to Nelson's history that you think may be of interest please let me know and I will be happy to meet with you. There are many past events and organizations that are not represented fully, or at all, that would benefit from more information.

Respectfully Submitted,

Bert Wingerson,  
Town Archivist

## NELSON CONSERVATION COMMISSION REPORT 2007

The Commission met monthly to continue our focus on the Great Meadow Wetland and to address other conservation issues as they arose including assisting residents with conservation easements. A public presentation was held in January to present information on the proposed Prime Wetland Designation that would give needed protection to the Wetland. This designation; however, was defeated at the annual meeting in March. The Commission continued to focus on other means of protecting this important Wetland. Taking into consideration the questions and comments expressed by landowners, the NCC decided that an overlay district under local control was the most acceptable way to accomplish this. A public meeting was held in December to present information on the Great Meadow Wetland Conservation Overlay District which will be voted on at the 2008 annual town meeting.

Additional conservation easements have been completed this year as part of earlier projects. Wally Francis and Julia Pakradooni have placed easements on their properties to expand protected land along Lead Mine Road that was part of the goal of the Black Brook wetland Conservation Project. The Mackenzies conservation easement almost completes the circle of protection around the historic Nelson Village. The final property needed to do this should be under easement next year. This was the first project undertaken after the completion of the Nelson Priority Conservation Plan in 2001.

The NCC sponsored a vernal pool program that was held on May 19<sup>th</sup> beginning with a slide presentation by David Moon and followed by field investigations of some of the vernal pools in Nelson. Kathy Schillemat has been working on an inventory of vernal pools in Nelson and organized the program with help from Lumina Greenway and Barbara Fraser.

The annual roadside cleanup, sponsored by the commission, was held in August on the Saturday before Old Home Week. There was a large participation by town residents and friends of Nelson. There were almost 50 people who covered most of the roads in town. The August date has had the largest number of residents volunteering for the cleanup along Nelson roads. The sponsoring organization, New Hampshire the Beautiful, offers a donation of 800 daffodils for our efforts.

Residents are encouraged to present any conservation issues, concerns or questions to the Commission and to consider the possibility, options and advantages of conservation easements on their property as well as endowments to help their neighbors plan for the future.

Respectfully submitted:

Bud French, Chairman; Norman Barres, Barbara Fraser, Lumina Greenway, Bert Wingerson and alternates Sandy Mackenzie and Susan weaver.

## **The Nelson Cemetery**

This fall a bronze plaque was installed on the south stone pillar at the entrance to the old section (Section 1) of the cemetery identifying it as "The Nelson Cemetery" for the first time in its long history.

General maintenance, straightening of gravestones and work on the new cremation area of Section 1 has been conducted by Cemetery Sexton, Al Struthers. A professional survey of the new cremation section will be completed prior to the sale of additional lots in this area. There were two cremation burials and no full burials this year.

## **The Munsonville Cemetery**

This spring one of the south-facing slopes of the cemetery which has been difficult to maintain grass on and difficult to mow because of its steepness, was planted in low-growing junipers interspersed with bearberries. The planting has established itself very well this year and will continue to spread. Many thanks for this success are due to Lucy Daniels who recommended the best species for that area and planted and tended them, to Julio Razaquin who watered them over the summer, and to Charley Lang and Nick Barrett who provided large troughs to supply the water, and to Rick Lothrop of the Nelson Fire Department who filled those troughs.

The Munsonville Cemetery, formerly a private cemetery, is now closed to future sale of lots. A new sign has been made for the cemetery duplicating the old one which was in disrepair. The Nelson highway department has agreed to undertake the maintenance of the cemetery after the retirement of Cemetery Sexton George Warner who provided many years of service. Thank you George.

Respectfully submitted,

Bert Wingerson, Cemetery Board Chairman, Al Struthers, Nelson Cemetery Sexton, Ron Ferguson, Tricia Jones, Edith Notman, and Teri Upton.

## 2007 Olivia Rodham Memorial Library Town Report

The Olivia Rodham Memorial Library looks forward to continuing to serve the community of Nelson, especially as a source of reading, be it for information, entertainment, inspiration, education or enlightenment. In a time where we have the world at our finger tips, the library is a public place that connects us, to each other, as a public center and a community gathering place. Program highlights this year were the Summer reading Program, a magic show and the Summer Forum.

We invited children in the Nelson community to participate in the 2007 Summer Reading Program, sponsored by the Children's Librarians of New Hampshire. This year's theme was "**Reading Road Trip U.S.A.!**" This annual program is designed to encourage reading library books for pleasure in a relaxed environment, far from the pressures of the classroom. Outside of the basic reading program itself, the special activities that were planned here at the library included: a summer reading kick-off party with snacks and games (suitcase relay and a map folding contest), a book group discussing *The Stray* by Dick King-Smith and creating paper airplanes. Other young readers attended a two session program "Book Arts", with Ann Ames teaching the caring for and the making of books. Those completing the reading program were given official certificates to honor their accomplishments and a gift certificate to the Toadstool Bookstore (thanks to the Friends of the Nelson Library). Children received incentive prizes along the way for each book read. Prizes included small toys, paperback books, and ice cream certificates for every 10 library books read. Twenty-one children read 448 books.

Our Summer Reading Program always ends during Old Home Week in Nelson and we try to schedule a special community event to celebrate. Magician, Peter Boie came to perform at the Town Hall on August 13<sup>th</sup>, preceding the Monday night contra dance. We had an audience of 50 children and 41 adults. What we saw was real magic! Young and old, and middle aged all were fascinated by the show. This performer really had studied magic and the art of illusion, to the point of seeming like he came from Hogwarts. Many summer people, some dancers and families from the community came for the performance. During the performance Peter related his reluctance to read as a child, even with a mother who brought him to the library every week, until he found a book about magic. This event was paid in part by a grant from the New Hampshire State Library, the Bryne Foundation, CHILIS, and the Cogswell Benevolent Trust; additional funds were provided by Vera Balch memorial funds. The Kids, Books and the Arts Grant enables us to hire our one professional performer for the year.

The 2007 Summer Forum was presented on four Thursday nights in July in the Nelson Town Hall, with a musical introduction by local musicians for each talk. Refreshments followed in the library. The speakers were:

Wendy Klemperer - "A Sculptor's Life"

Chick Colony - "Mills and Ponds of New Hampshire"

Kirk Dale - "Pub Songs, Sea Shanties and More!"

Aug 2 - Dr. Martha Yates - "Native American Rock Art of the Southwest"

All programs were interesting and well attended. Funding was provided by donations collected at the Forum and by town funding of the library.

On Old Home Day, during the games on the green, the library was open for business, and hosted a craft activity table. The annual Book Sale, organized and run by the Friends of the Library, made record sales and with renewed memberships, took in over \$2000.

The Adult Book Group has been popular and meets once a month on Tuesdays. Some of the books we read were *Three Cups of Tea* by Greg Mortenson, *Life as We Knew It* by Susan Beth Pfeffer, and *Water for Elephants* by Sara Gruen.

After school story time on Thursdays was attended by 7 to 8 children. Sandy Ferguson volunteered to read and do an activity during our winter/spring story time. Fall and winter story time, now being done by volunteer Sara Shepard on Mondays, runs from the bus drop off time until 4:00 pm. Four kids now attend each week.

School collaboration continues with Library enrichment programs at the library, offered four times this year to the Nelson school. The whole school attended, except Kindergarten, in three groups. This happened once a month on Mondays during the winter and spring. They all learned library skills at this time. Included in the lessons were: Dewey Decimal, library layout, card catalog, parts of a book and how to find items. A program of bringing books to the Nelson School continues. Teachers can request a topic or genre by email. About 15 books are delivered for each request.

Library personnel are Kristine Finnegan, librarian, Jennifer Fraser the regular library substitute, with Bruce McSheehy filling in. Patrons with overdue books are called twice a month by volunteer, Kathy Schillemat. Regular volunteers are Pamela Tolman and Betsey Church. Terry Mednick has voluntarily maintained our computers; computer statistics programs are updated by Tom Buttrick. We thank occasional volunteers Jennifer Fraser, Dublin School students, Susan Hansel, Liza Constable, Jessica Nelson, Jonathan Weis, Emily Merrifield, Jan, Kylie and Shauna Landrey, Iva Demartelly, Barbara and Jacqueline Roland, Linda Cates, Katie Kasper, Elena and Oliver Mednick, and Carol Heath. Volunteer hours this year totaled 290.5 hours. Our Library trustees this year were Steve Bigaj, Betsy Street, Linda Cates, Lumina Greenway and Donna Kidd.

Donations to the library always play a large part in our collection development. This year we received monetary donations from Rotary Club members, the Cirello family, and George and Frances Alderson in memory of Bob and Hallie Robinson. Other library funds used to purchase items for the library collection were the Celia Wiechart Memorial Fund, the Elizabeth T. Hatch Memorial Fund, the Hardie Shepard Children's Book Fund, the Henry Melville Fund, the Mary Fiske Elliot Fund for Garden Books, the Nelson White Fund, the Professor William Churchill Gerrish Special Fund, the Sidney Plant Special Fund and the Henry Melville Fuller Fund. The Friends of the Library made a

monetary donation for books. They also donated a new computer, summer reading gift certificates to the Toadstool and a pass to the Mariposa Museum.

Many donations are made of actual books, audio visual materials, and magazines. Thank you to Pamela and Ethan Tolman and Bert Wingerson for their donation of current monthly magazines, to Lumina Greenway for her large donation of the latest best sellers in books, and to many others for their generosity in passing on books, DVD's and books on CD.

Submitted by Kristine Finnegan, Library Director

**Olivia Rodham Memorial Library  
Library Trustee Report 2007**

The Trustees of the Olivia Rodham Memorial Library, working in concert with the Library Director, continue to focus on meeting the needs of our community. We are excited about soon offering high speed Internet access at library computers and via patron's personal laptops through our wireless network. The Summer Forum continues to be popular with adults, and we look forward to another interesting set of speakers and presenters this summer. We are grateful to have Library Director Kris Finnegan's 15 years of dedication and experience leading the library.

We have two trustees going off the board this year - Donna Kidd, with ten (!! ) years of service, and Steve Bigaj, with three. Great thanks to them for their active participation and commitment.

We urge you to return library materials on time. Significant volunteer time goes to chasing down people with overdue materials, and other patrons can't take materials out if they are still stuck at your house!

Thank you also go to the dedicated volunteers who help ensure the library runs smoothly. They are listed in the Library Director's Report.

Please check out the online list of new books available at the library:

Olivia Rodham Memorial Library  
Notes on 2007 Treasurer's Report and 2008 Budget

In 2007, the Library operated very close to its budget and fortunately did not spend its \$2,000 contingency line item. We spent \$265 less from taxes than was allocated at the last town meeting. We created a new expense line in this year's budget for Computer & Internet Expense, separating these expenses out from Telecommunications Expense.

For 2008, the Library is requesting an increase of \$1,100 from taxes. The bulk of this is made up of two things: a \$532 annual salary increase for the Librarian, and monthly operating costs of new high speed internet access estimated at an additional \$450 annually. There is also an increase in costs for the Library Summer Forum.

The implementation cost of the high speed internet service is estimated at \$600 and that amount will be paid from the Library's Memorial Funds.

## REPORT OF TOWN CLERK/TAX COLLECTOR - 2007

2007 was a good year, with the level of activity in the office continuing to increase. With that increase comes a greater dependence upon internet access. There is still frustration with the slowness of our internet access, despite the speed enhancement provided through the State of NH and the NH Electric Co-op. dish (Wildblue).

Our ability to access the State of NH Vital Records Administration on-line has been very positive. It is nice to be able to provide more complete services to our customers. This, as with our other services, has been received enthusiastically.

Supervisors of the Checklist Rita Schillemat and Beatrice Warner have spent many hours mastering the on-line voter checklist. They have done an admirable job, and their many hours of work and their accomplishments are greatly appreciated. Their efforts were evident at our recent Presidential Primary election where they were able to update many of our voter registration information cards. This additional information is necessary to complete the State-wide voter registration checklist format. As well, we extend to Joan Warner our sincerest THANK YOU. Joan served on our Board of Supervisors for over 40 Years, which must be a record for Town service. She will be missed a great deal.

As always, I want to express my deep appreciation for the work Edith Notman, Deputy Town Clerk/Tax Collector, continues to perform. Edith is highly competent and a joy to have in the office.

Thank you once again for allowing me to serve as your Town Clerk/Tax Collector. Our office is looking forward to a very busy year in 2008 with several elections and an ever-increasing work load. Please don't hesitate to write or phone when you need assistance. We will do our best to serve you.

Sincerely,  
Theresa M. Upton  
Town Clerk/Tax Collector

## Report of the Planning Board

This has been another busy year for the Planning Board. We have had 5 subdivision hearings and 1 boundary line adjustment hearing. All proposals have been approved. The Town Meeting warrant reflects our continuing effort to improve the Zoning Ordinance. One amendment to create a Great Meadow Overlay District will be voted on by ballot at the annual Town Meeting.

The main thrust of our work, once again, has been to update the Master Plan for the Town. In the fall of 2007, we held a hearing to present the Draft of the Master Plan. As a result of that meeting and from written comments received, we find that the document is missing some important pieces, specifically a vision statement and clearly defined goals in relation to the future of the Town. We have addressed these omissions and, with renewed energy, we work to complete a Master Plan document that will truly reflect the desires and needs of the Town of Nelson. We appreciate all the feedback that we have received, and welcome input from town residents as we strive to finish this important project.

The Board said goodbye to Gordon Peery as his move to Peterborough necessitated his resignation. His help over the past few years has enabled the Planning Board to complete updates to the Zoning Ordinance and the Subdivision Regulations. Without his skills, we would not have been able to undertake the Master Plan revision, nor would we have a document to work with at this time. We will miss his energy and humor. Thank you, Gordon!

Troy Tucker, who had been acting as an alternate to the Board, agreed to step into Gordon's position. The Planning Board is grateful for his willingness to serve.

If residents have issues to come before the Board, call Vangie McCormick at the town office to schedule a slot on the agenda. The Board meets almost every month on the 2<sup>nd</sup> Thursday, at 7:00 p.m.

Respectfully submitted,

Katharine Schillemat, Chairman

## ZONING BOARD OF ADJUSTMENT REPORT

2007 has been another busy year for the Zoning Board of Adjustment. Since the zoning changes implemented in 2004 our docket is not as full as it had once been, but, that being said, the projects that we have reviewed and been presented to us have generated a tremendous amount of public interest.

Preparation has become a key ingredient with the proposals presented. As became more frequent in 2006, we had to again require the services of our town's counsel to help us in interpreting the law, the zoning regulations as well as to insure that we are handling all matters in the appropriate manner. Sadly, although we have experienced increased input from parties who have interest in some of the projects before us and neighbors/citizens from our town have taken a greater role in sharing their opinions with setting precedents that about what the regulations say and how we, as a board, have to interpret them. We are volunteers for our town and do the best that we can. I, personally, would hope that many could look more at what brings us together than what differences or flaws that we may have. As I stated last year, these are all signs of a healthy town concerned about its past, future, growth, character and neighbors.

Much in our town is at a crossroads and needs everyone to be a part of it. Get involved. Serve on a board. Ask how you can help. Help with the master plan. Think about the administering and policing of the regulations that we have in place. What do we need to do to best help our town? Only you can decide. The ZBA is there to simply hear the cases. We can always use your help.

Kudos are always forgotten and/or neglected, so I would like to take this opportunity to extend a very public 'Thank You' to all of the board members for their dedication, commitment, hard work, input and participation over the past year.

Respectfully submitted,

Peter Brnger  
ZBA Chair

## Memorial Day Ceremony Report 2007

The Nelson community gathered together in the village on Sunday, May 27<sup>th</sup> for the Nelson Memorial Day Ceremonial Parade. It was a beautiful warm day as we gathered to honor the men and women who have died, have served or are serving in our nations Armed Forces. The Nelson Town Band's music could be heard throughout the village as people gathered before the parade. Veterans from four different military branches were represented as the parade was called to order. American Flags decorated the village as on-lookers waved their flags as the parade marched around the common. Both Girl and Boy Scouts placed geraniums at each of the village monuments. All proceeded up the hill following the band to the Nelson Cemetery. As we entered the cemetery the Scouts and young people placed geraniums at all the veteran's graves as the band played and people gathered around. Rev. Dawn Garrett-Larsen gave words of remembrance for members of our armed services past and present. The ceremony ended by the band playing "The Star Spangle Banner" which was followed by a rifle salute and "Taps". All assembled back together in silence, and marched back to the village remembering why we celebrate this Memorial Day.

Respectfully submitted,

Kathy Blaudschun

## NELSON OLD HOME WEEK REPORT 2007

Nelson's 129<sup>th</sup> Old Home Day events began on Sunday, August 11<sup>th</sup> through Saturday August 18<sup>th</sup>. Family, neighbors and friends of the past and present gathered together enjoying a marvelous week of activities

The schedule of events that were held during the week were:

- 1 Old Home Sunday Worship Service at the Nelson Congregational Church and Sunday Evening Vesper Service
- 2 Magician Peter Boie, sponsored by the Olivia Rodham Library
- 3 Library Reading Event creating treasure maps
- 4 Monday Night Contra Dance
- 5 Apple Hill Chamber Music Concert
- 6 Monadnock Music Concert
- 7 Nelson Folks Concert
- 8 Friends of the Olivia Rodham Memorial Library Book Sale
- 9 Photo display of past Old Home Days

Old Home Day was a bit cool with some very powerful gusts of winds but that didn't discourage people from participating in this very special day. The games attracted people of all age groups. Beginning with our ever-famous frog-jumping contest to the egg toss, tug of war and watermelon-eating contest! The Nelson Town Band's music spread across the village as we ate our Chicken BBQ dinners or picnic lunches. Our guest speaker was John Frado. John shared many stories of his life experiences keeping us all entertained with laughter. John specializes in trail design for cross country ski areas and an emphasis on multi-use non – motorized trails. Due to the high winds and cool temperatures the Nelson Fire Dept. decided that the Water ball contest would be canceled this year, a disappointment to many young people. We did have a great attendance for the softball game at Eagle Field. There was a "wide" age range that came out to play. The week's activities ended with an evening of the wonderful entertainment from our very talented local musicians at the Nelson Folks Concert.

***Many thanks to ALL*** who donate their time and energy in keeping this very special tradition of Nelson Old Home Week alive and well.

Respectfully submitted,

Nelson Old Home Week Committee: Kathy Blaudschun, Maureen and Brian Lord  
Kathy Schillemat, Beth Williams, and Geoff Williams

**2008 Old Home Week begins: Sunday, August 10th - Old Home Day on August 16<sup>th</sup>.**

GRANITE LAKE VILLAGE DISTRICT  
Minutes of the July 8, 2007 Annual Meeting

The Annual Meeting of the Granite Lake Village District was held July 8, 2007 at 10:30AM. The meeting began a few minutes late as the Moderator, Commissioners, and residents of the District conferred briefly.

John Halter called the meeting to order and commenced by saying the meeting may or may not be deemed legal and proper because of the short notice posted for the budget hearing held in June. However, he indicated it was up to the State and, barring any further complaint, the actions taken in the meeting would probably be considered legal. With this understanding, the meeting continued.

Article 1 was read: To choose one Commissioner for a term of three years and to see whom the inhabitants of the District would elect for the offices of Clerk, Treasurer, and Moderator, each for the term of one year. Nominated: Tim Ruehr Commissioner, Sally Ripley Clerk, Tom Yocono Treasurer, and John Halter Moderator. Tim Ruehr had recinded his nomination as Commissioner and, after retiring as Treasurer, Tom Yocono was nominated to fill the position. Sally Ripley also withdrew her name and Susan Kingsbury was nominated in her place, in absentia. Phil Hamilton was nominated to fill the remaining two years in the term of Commissioner that Bob Woods had resigned. Ron Ferguson was nominated for Treasurer, also in absentia. With these substitutions, the Article was appropriately moved, seconded, and the vote was in the affirmative.

Article 2: To see if the District will vote to authorize the Commissioners to borrow in anticipation of taxes. The Article was appropriately moved and seconded, the vote was affirmative.

Article 3: To see if the District will raise and appropriate the sum of \$520 to defray Village District expenses for the ensuing year. The Article was appropriately moved and seconded. The vote was affirmative.

Article 4: To see if the District will raise and appropriate the sum of \$750 to purchase liability insurance. The Article was appropriately moved and seconded. The vote was affirmative.

Article 5: To see if the District will raise and appropriate the sum of \$500 to add to the Capital Reserve Fund for dam maintenance and repair, or replacement. The Article was moved and seconded. The vote was affirmative.

Article 6: To see if the District will accept funds from the Granite Lake Association or from any other source for the purpose of repairing, maintaining, or replacing the dam. The Article was appropriately moved, seconded, and the vote was affirmative.

Article 7: To see if the District will schedule its next annual meeting to precede the annual Granite Lake Association to be held on the second Sunday in July 2008. The Article was appropriately moved, seconded, and the vote was affirmative.

There was a motion to adjourn. It was seconded and voted in the affirmative. The meeting ended approximately 11:15AM, July 8, 2007.

Respectfully,

Sally Ripley, Clerk

## NELSON TOWN MEETING MINUTES

### MARCH 13, 2007

It was an especially lovely spring-like morning as the polls opened at just 11:00AM. The sun poured through the windows and the heat was turned off. As the day moved along voting was light but steady, and 164 out of 570 voters cast their ballots for Town Officers and Committee members. Two zoning amendments were voted on as well at this time.

Just at 7PM, Richard P. Church in his inaugural meeting as Town Moderator opened the meeting. The Boy Scouts led those assembled in reciting the Pledge of Allegiance.

The mood was open and receptive as Rick initiated a new process designed to streamline written ballots cast during Town Meeting. This process requires each towns person to register with the Supervisors upon entering the hall. At that time each voter is handed a piece of paper to be used as identification as a voter, and at least one YES/NO ballot for use if needed during the meeting. This process was used at this meeting, and went very smoothly, saving several minutes of precious time.

### ARTICLES OF A GENERAL NATURE

#### 1. To choose necessary Town Officers for the year ensuing.

Elected:

Selectman, Jane S. Kirk 3 years

Town Clerk/Tax Collector, Theresa M. Upton 3 years

Treasurer, Tom Buttrick 1 year

Sexton, George Warner, Sr. 1year

Trustee of the Library, Lumina Greenway 3years

Donna Kidd 3 years

Emergency Management Officer, Richard Lothrop 1year

Zoning Board of Adjustment, Maurice Lagace 3years

Michael Blandschun (write-in) 3years

Auditor, Carol Newcombe 1year

Trustee of Trust Funds, Patricia Jones 3years

Road Equipment Committee, James Russell (write-in) 3years

Planning Board, Rob Germeroth 3years

Cemetery Board, Roberta Wingerson 3years

#### 2. To see if the Town will vote to raise and appropriate the sum of \$150,000 (gross budget) for the total expense of the Safety Building at the back of the Fire House, including a well and septic system and to authorize the issuance of not more than \$150,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon; any money received from grants and donations will be applied to this purpose.

The Selectmen recommend this appropriation. (2/3 ballot vote required) The article was accepted and seconded as read. Maury Collins, Chair of the Facilities Committee introduced all of the members of the committee. The meeting gave the committee a round of applause for all of their work. There was a great deal of discussion concerning the issuance of a bond and what effect it would have on our tax base, and on the building plan itself. Once the voting process was begun, the Moderator kept the polls open on this issue for one hour. In the end, the written ballot reflected a vote of 85 in favor of the article as presented, and 23 against the article. Two Thirds of the ballots were in favor, that being any number over 72 in favor.

3. To see if the Town will vote to raise and appropriate the sum of \$198,460 to be raised by taxes. This is to defray Town charges for the year ensuing. The Selectmen recommend this appropriation. The article was accepted and seconded as read. After some discussion on the numbers, the article was passed by voice vote.

4. To see if the Town will sell the former Town library property, known as the Old Olivia Rodham Memorial Library (shown on the Town's tax Map 6, Lot 004-004, with an address of 5 Center Pond Road). The sale would be for \$1, but the property would be sold subject to the condition that title to the property reverts back to the Town in the future if the owner fails to maintain the property in its present condition as well as make it available for limited public use, or to take any action thereon. The article was accepted and seconded as read. At this point, the Moderator stepped down, and Betsy Street assumed the role of Acting Moderator. Mr. Church chaired the committee which worked on this project, and was asked to address the issue. Rick recognized the members of the committee thanking them for their dedication to the issue and for all of their work. After explanation of the options the committee considered in their process and their acceptance of Wallace Francis and his family as the buyer, the issue was brought before the Town. The article passed by voice vote.

5. To see if the town will vote to raise and appropriate the sum of \$5099 to purchase a copier for the town offices. The article was accepted and seconded as read. With little discussion, the article was passed by voice vote.

6. To see if the Town will vote to raise and appropriate the sum of \$3,359 support of social service agencies which provide assistance to Nelson residents. The agencies chosen to receive funds are: Home Health Care (\$550), Monadnock Family Services (\$809), The Keene Community Kitchen, Inc. (\$1,500) and Southwestern Community Services (\$500). The article was accepted and seconded as read. The article was approved by voice vote.

7. To see if the Town will vote to modify the Veterans' Tax Credit from \$50 to \$300 per year by provisions of RSA 72:28-35 as follows: 1) Filing date is the 15th

of April of the year it is to be applied, 2) Discharge form such as DD214 showing dates of service and type of discharge etc. The Selectmen recommend this article. The article was accepted and seconded as read. It was passed by voice vote.

8. To see if the Town will vote to raise and appropriate the sum of \$18,500 for a suggested network computer solution for the Town of Nelson. 1) This will include a file server that will do duty as a print server, central file server and backup system. Includes LCD monitor, all software, a spare tape cartridge and a 3 year service contract. 2) 5 desktop stations, includes software, LCD monitors. 3) 2 laptops, wireless network ready, includes cases. 4) A network ready laser printer. 5) A router / firewall / WAP / 4 port switch and installation. The Selectmen recommend this article. The article was accepted and seconded as read. After an explanation by Tom Buttrick of what this includes and what it will do, the article was passed by voice vote.

9. To see if the Town will vote to raise and appropriate the sum of \$28,870. for support of the Town Library. (In 2006, the appropriation was \$26,390.)

\$20,600 to be raised by taxes

\$ 8270 income from Library memorial funds and other sources.

This article was accepted and seconded with the sum of \$26,670. for the support of the Town Library, \$19,500 to be raised by taxes, and \$7,170. Income from Library Memorial Funds and other sources. After an explanation of why the figures were lowered the article was passed by voice vote.

10. To see if the Town will vote to raise and appropriate the sum of \$6,100 to pay for site plans, which have been prepared for the addition at the rear of the Center Station, on Old Stoddard Road. The Selectmen recommend this article. The article was accepted and seconded as read. Mr. Buttrick explained that this amount was raised last year, but the bill was not paid. The site plans were done, but not paid for. The amount raised last year went into the general fund. This is to cover the amount due. The article was passed by voice vote.

At this point a motion to consider Article #32 was introduced and accepted by voice vote.

32. To see if the town will go on record in support of effective actions by the President and the Congress to address the issue of climate change which is increasingly harmful to the environment and economy of New Hampshire and to the future well-being of the people of Nelson, NH.

These actions include:

1. Establishment of a national program requiring reductions of U.S. greenhouse gas emissions while protecting the U.S. economy.

2. Creation of a major national research initiative to foster rapid development of sustainable energy technologies thereby stimulating new jobs

and investment. This is a petitioned article. The article was accepted and seconded as read. This is a non-binding resolution intended to send a message to our elected officials. An amendment to delete #1 from this article was defeated by voice vote. The article was then passed by voice vote.

At this time the Moderator closed the polls on Article #2 and the votes were counted. The result of the vote is referenced under Article #2.

11. To see if the Town will vote to raise and appropriate the sum of \$35,000, to be added to the Town Buildings Capital Reserve Fund. No withdrawals may be made from the Fund except by vote of the Town. The Selectmen recommend this appropriation. (The Fund balance on 12/31/06 was \$20,961.) The article was accepted and seconded as read. Sam Bouchie, Selectman offered an amendment to decrease the amount raised from \$35,000 to \$10,000. The amendment was seconded and passed on voice vote. The article was then passed by voice vote as amended.

12. To see if the Town will vote to raise and appropriate the sum of \$2500 for renovation of the back room, of the Old Brick School House, for storage of files and office supplies to be used by the Town offices. The Selectmen recommend this article. The article was accepted and seconded as read. The article was passed by voice vote.

13. To see if the Town will vote to raise and appropriate the sum of \$3000 to be added to the Milfoil Prevention and Treatment Fund. The Selectmen and The Conservation Commission approve this article. The article was accepted and seconded as read. After explanation of the need for this money and the restrictions on the fund, the article was passed by voice vote.

14. To see if the Town will vote to raise and appropriate the sum of \$575 used for hazardous waste collections for 2007 and 2008 consisting of 24 collection dates. The Selectmen recommend this article. The article was accepted and seconded as read. The article was passed by voice vote.

15. To see if the town will vote to discontinue the following Capital Reserve Funds with said funds with accumulated interest to date of withdrawal, to be transferred to the town's general fund.

( 2/15/2006)	Revaluation 2006	\$339.08	Fund #0013
( 2/15/2006)	2006 Tool Shed, Cemetery	\$ 27.39	Fund #0016
( Year 1972 )	School Roof Repairs	\$ 0.00	

The article was accepted and seconded as read. After explanation, the article was accepted by an overwhelming standing vote in favor of this article.

## ARTICLES DEALING WITH SERVICE AND PROTECTION

16. To see if the Town will vote to raise and appropriate the sum of \$6565 as a subsidy for ambulance service for the ensuing year, it being understood that residents will still be charged for individual calls. (The appropriation for 2006 was \$5824). The Selectmen recommend this article. The article was accepted and seconded as read. With no discussion, the article was passed by voice vote.

17. To see if the Town will vote to raise and appropriate the sum of \$12,500 for the proper expenses of the Fire Department and Rescue Squad. (The 2006 appropriation was \$12,500). The article was accepted and seconded as read. With no discussion, the article was passed by voice vote.

18. To see if the Town will vote to raise and appropriate the sum of \$500 for the purpose of fighting forest fires. this sum to come from reimbursement from the NH State Fire Warden and no amount will be raised through taxation. The Department of Revenue Administration recommends this method of accounting so as not to impact the Fire Department's operating budget. The Selectmen recommend this article. The article was accepted and seconded as read. The article was passed by voice vote.

19. To see if the Town will vote to raise and appropriate the sum of \$25,000 to be added to the Fire Equipment Capital Reserve Fund. No withdrawals may be made from this Fund except by vote of the Town and upon recommendation of the Fire Chief. The Selectmen recommend this article. The article was accepted and seconded as read. After little discussion, the article was passed by voice vote.

20. To see if the Town will vote to raise and appropriate the sum of \$5000. to update new pagers for members of the fire department and to purchase 6" suction hose. The Selectmen recommend this article. The article was accepted and seconded as read. After little discussion, the article was passed by voice vote.

21. To see if the Town will vote to raise and appropriate the sum of \$1,000 for the proper expenses for Emergency Management. This article is recommended by the Nelson Emergency Management Director and the Board of Selectmen. The article was accepted and seconded as read. With no discussion, the article was passed by voice vote.

22. To see if the Town will vote to raise and appropriate the sum of \$2,500. as the Town's share for the development of an EOP (Emergency Operations Plan), to comply with federal and state requirements. The remaining funds needed to accomplish this work will be provided by a grant through Southwest Region Planning Commission. This article is recommended by the Nelson Emergency

Management Director and the Board of Selectmen. The article was accepted and seconded as read. Mr. Lothrop, Emergency Management Officer explained the need for this money, and the article was passed by voice vote.

23. To see if the Town will vote to raise and appropriate the sum of \$33,000. for the proper expenses of the Police Department. (The appropriation for 2006 was \$34,811). The article was accepted and seconded as read. With no discussion, the article passed by voice vote.

24. To see if the Town will vote to raise and appropriate the sum of \$3,000 for the purpose of patrols performed by the Nelson Police Department for the State of NH, Cheshire County, Sheriff's Office and other authorized municipal entities. This sum to come from offsetting grants and no amount will be raised through taxation. The article was accepted and seconded as read. With no discussion, the article passed by voice vote.

### **ARTICLES DEALING WITH ROADS**

25. To see if the Town will vote to raise and appropriate the sum of \$195,000 for the purpose of maintenance of highways and bridges for ensuing year's budget with \$53,003 coming from the Highway Block Grant with the remaining \$159,997 to be raised through taxation. The article was accepted and seconded as read with a corrected amount coming from the Highway Block Grant of \$35,003. The other figures in the article remain the same. With little discussion, the article passed by voice vote.

26. To see if the Town will vote to raise and appropriate the sum of \$15,000 to be added to the Road Equipment Capital Reserve Fund. It is understood that no withdrawals may be made from this fund for the purchase of road equipment except by vote of the town upon recommendation of the Road Equipment Committee. The Road Equipment Committee (which includes the Selectmen) recommends this appropriation. The Fund balance on 12/31/2006 was \$31,425.(The 2006 appropriation was \$15,000). The article was accepted and seconded as presented. With no discussion, the article was passed by voice vote.

27. To see if the Town will vote to raise and appropriate the sum of \$25,000, to be added to the Capital Reserve Fund for the Salt Barn and Storm-water site work, at the Town Barn on Old Stoddard Road. It is understood that no withdrawals may be made from this Fund except by the vote of the Town. The Selectmen recommend this appropriation. (The balance as of 12/31/2006 (\$110,556) The article was accepted and seconded as presented. After an update on the status of this issue, the article was passed by voice vote.

## ARTICLES DEALING WITH PLANNING & ZONING

28. To see if the Town will vote to raise and appropriate the sum of \$722 for dues to belong to the Southwest Region Planning Commission. (\$722 in 2006) The article was accepted and seconded as presented. With no discussion, the article passed by voice vote.

29. To see if the Town will vote to raise and appropriate the sum of \$5000 for the initial facilitation services for the Master Plan for the Town of Nelson, NH. (The Selectmen recommend this article). The article was accepted and seconded as read. With little discussion, the article was passed by voice vote.

30. To see if the town is in favor of designating the ecologically significant wetland system commonly known as "Great Meadow" in the Town of Nelson as a prime wetland as authorized in RSA-482-A:15 and described in documents and maps filed by the Conservation Commission with the Town Clerk as required by RSA 675:3. The Planning Board recommends this adoption. **(By Ballot)**.

**Vote results: YES 73 NO 91**

31. To see if the town is in favor of the adoption of zoning Ordinance Article 6:8, "The Town of Nelson shall regulate the existence of junk yards in accordance with New Hampshire RSA 236:111 - 129", as Proposed by the Planning Board. The Planning Board recommends this adoption.  
**( By Ballot).**

**Vote results: YES 131 NO 31**

## OTHER ARTICLES

33. To transact any other business or discuss other warrant proposals as may legally be brought before the meeting.

At this time, Jane S. Kirk, Chair of the Selectmen presented a plaque, a framed copy of the cover of the 2006 Town Report, and a gift certificate to a local restaurant to Michael Tarr, Road Agent. Mike has worked for the Town for 20 years, all of that time working on the town roads. After several accolades, a very embarrassed Mike received a standing round of applause.

The meeting adjourned at 9:32PM.

Respectfully submitted,

Theresa M. Upton  
Town Clerk/Tax Collector

## COMPLIANCE STATEMENT

This school district receives federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Personnel Manager, 34 West Street, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to the Director of Special Education, 34 West Street, Keene, New Hampshire.

*Wayne E. Woolridge*  
Co-Superintendent of Schools

## **STATE OF NEW HAMPSHIRE SCHOOL WARRANT**

To the inhabitants of the school district in the Town of Nelson qualified to vote in District affairs:

You are hereby notified to meet at the Nelson Town Hall in said District on the 7th day of March, 2008, at 7:00 p.m. to act upon the following articles:

**ARTICLE 1:** To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

**ARTICLE 2:** To see if the District will vote to raise and appropriate the sum of \$1,499,294 for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto.

**ARTICLE 3:** To see if the District will vote to raise and appropriate up to \$15,000 from its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2008, to the Capital Reserve Fund established by the voters of the District at the March, 1972, District Meeting for the purpose of construction/ reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes, or to take any other action in relation thereto. *(The Nelson School Board recommends favorable action on this warrant article.)*

**ARTICLE 4:** To see if the District will vote to raise and appropriate up to \$15,000 from its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2008, to the High School/Middle School Tuition Fund established by the voters on March 5, 1999, for the purpose of paying future year unanticipated special education/ and or middle and high school tuitions, or to take any other action in relation thereto. If there is an insufficient, undesignated fund balance as of June 30, 2008 to fund this appropriation and the appropriation in Article 3 (Capital Reserve Fund), Article 3 will be funded first, with any additional surplus to be applied to this warrant article. *(The Nelson School Board recommends favorable action on this warrant article.)*

**ARTICLE 5:** To transact any other business that may legally come before this meeting.

NELSON SCHOOL BOARD

### *INDEPENDENT AUDITOR'S REPORT*

To the Members of the School Board  
Nelson School District  
Nelson, New Hampshire

We have audited the accompanying financial statements of the governmental activities and each major fund of the Nelson School District, which collectively comprise the School District's basic financial statements as of June 30, 2007 as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

The government-wide statement of net assets does not include any of the School District's capital assets nor the accumulated depreciation on those assets; and the government-wide statement of activities does not include depreciation expense related to those assets. These amounts have not been determined. Therefore, in our opinion, the financial statements referred to above do not present fairly the financial position of the governmental activities of the Nelson School District at June 30, 2007, and the changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the Nelson School District as of June 30, 2007, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The budgetary comparison information is not a required part of the basic financial statements, but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

The Nelson School District has not presented a management's discussion and analysis that accounting principles generally accepted in the United States of America have determined is necessary to supplement, although not required to be part of, the basic financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Nelson School District's basic financial statements. The individual fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. They have been subjected to the auditing procedures applied in the audit of the basic financial statements, and in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Minutes of the  
Nelson School District Meeting  
March 9, 2007

Moderator Richard Church declared the polls open at 3:00 p.m. The business meeting was to be held at 7:00 p.m. The polls would remain open until 8:00 p.m.

At 7:00 p.m., Moderator Church called the meeting to order. A motion was made and seconded to waive the reading of the warrant. Wayne Woodridge, Co-Superintendent, and Tim Ruehr, Business Administrator for Towns, were in attendance from SAU 29, as well as Sheila Vara, Nelson School Principal. Approximately 37 residents of the town of Nelson were in attendance. The meeting began with a performance by 13 Nelson School children of their favorite songs. Kim Wallach, music teacher, led the group. Their performance received a standing ovation!

Article 1: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

Richard Church, Moderator, read from a report of School inspectors from March 26, 1810. The text of the report is attached. It was noted that in 1810, the school budget was \$500.00.

The motion was made and seconded that the District receive the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto. Article 1 was passed as presented.

Article 2: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries for school district officials and agents, for the statutory obligations of the District, or to take any other action in relation thereto.

It was moved and seconded that the District raise and appropriate \$1,426,614 for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto. After a detailed discussion of the budget, Article 2 was passed as presented.

Article 3: To see if the District will vote to raise and appropriate up to \$36,000 to be used for roof replacement and related expenses incurred while replacing the roof of the Nelson School and authorize the withdrawal of up to \$36,000 from the Capital Reserve Fund established by the voters of the District at the

March,

1972, District Meeting for the purpose of construction/ reconstruction of buildings and/or purchase of equipment, and/or acquisition of land for school purposes, or to take any other action in relation thereto.

It was moved and seconded that the District raise and appropriate up to \$36,000 to be used for roof replacement and related expenses incurred while replacing the roof of the Nelson School and authorize the withdrawal of up to \$36,000 from the Capital Reserve Fund established by the voters of the District at the March, 1972, District Meeting for the purpose of construction/reconstruction of buildings and/or purchase of equipment, and/or acquisition of land for school purposes, or to take any other action in relation thereto. Article 3 was passed as presented.

Article 4: To see if the District will vote to raise and appropriate up to \$20,000 to be used for reconstructing the school's main entrance, including related costs, of the Nelson School and authorize the withdrawal of up to \$20,000 from the Capital Reserve Fund established by the voters of the District at the March, 1972, District Meeting for the purpose of construction/reconstruction of buildings and/or purchase of equipment, and/or acquisition of land for school purposes, or to take any other action in relation thereto.

It was moved and seconded that the District raise and appropriate up to \$20,000 to be used for reconstructing the school's main entrance, including related costs, of the Nelson School and authorize the withdrawal from the Capital Reserve Fund established by the voters of the District at the March, 1972, District Meeting for the purpose of construction/reconstruction of buildings and/or purchase of equipment, and/or acquisition of land for school purposes, or to take any other action in relation thereto. Article 4 was passed as presented.

Article 5: To see if the District will vote to raise and appropriate up to \$30,000 from its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2007, to the Capital Reserve Fund established by the voters of the District at the March, 1972, District Meeting for the purpose of construction/reconstruction of buildings and/or purchase of equipment and/or the acquisition of land for school purposes, or to take any other action in relation thereto.

It was moved and seconded that the District raise and appropriate up to \$30,000 from its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2007, to the Capital Reserve Fund established by the voters of the District at the March, 1972, District Meeting for the purpose of construction/reconstruction of buildings and/or purchase of equipment and/or the acquisition of land for school purposes, or to take any other action in relation thereto. The Article passed as presented.

Article 6: To see if the District will vote to raise and appropriate up to \$1.00 from its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2007, to the High School/Middle School Tuition Fund established by the voters on March 5, 1999, for the purpose of paying for future year unanticipated special education and/or middle school and high school tuitions,

or to take any other action in relation thereto. If there is an insufficient, undesignated fund balance as of June 30, 2007 to fund this appropriation and the appropriation in Article 5 (Capital Reserve Fund), Article 5 will be funded first, with any additional surplus to be applied to this warrant article.

It was moved and seconded that the District raise and appropriate up to \$1.00 from its unencumbered funds, if any, remaining on hand at the end of fiscal year, June 30, 2007, to the High School/Middle School Tuition Fund established by the voters on March 5, 1999, for the purpose of paying for future year unanticipated special education and/or middle school and high school tuitions, or to take any other action in relation thereto. If there is an insufficient, undesignated fund balance as of June 30, 2007 to fund this appropriation and the appropriation in Article 5 (Capital Reserve Fund), Article 5 will be funded first, with any additional surplus to be applied to this warrant article. Article 6 passed as presented.

Article 7: To see if the District will vote to elect District officers by separate ballot at the Town of Nelson election, pursuant to RSA 671:22 *et sec.*; this article to take effect, if passed at the 2008 election.

It was moved and seconded that the District will vote to elect District officers by separate ballot at the Town of Nelson election, pursuant to RSA 671:22 *et sec.*; this article to take effect, if passed at the 2008 election. Article 7 passed by majority vote.

Article 8: To transact any other business that may legally come before this meeting.

It was moved that the meeting be adjourned. The meeting was adjourned at 8:22 p.m.

Respectfully submitted,

Katharine Schillemat, Clerk

A True Copy Attest.

The polls closed at 8:00 p.m.

The following officers were elected:

Richard P. Church, Moderator—Two Years

Katharine M. Schillemat, Clerk—Two Years

Hope Lothrop, Treasurer—Two Years, beginning July 1, 2006

Kelly French, School Board Member—Three Years.

## ADMINISTRATIVE REPORT

Nelson students continue their strong academic performances at Nelson School, as well as Keene Middle School and Keene High School.

One example of strong academic performance demonstrated by Nelson students is in the area of math. In our most recent State assessments, Nelson Elementary School students scored first in the percentage of students at or above the proficient level in math as compared to the 20 schools in our region.

The state math test results reflect the knowledge and skills (known as Grade Level Expectations) that proficient students should have mastered by the end of the previous school year. Results for each school reflect the results for all students tested who were enrolled at the end of the prior school year. The content standards in mathematics identify four major strands which are as follows: Numbers and Operations; Geometry and Measurement; Functions and Algebra; and Data, Statistics, and Probability. In addition, problem solving, reasoning, connections and communication are embedded throughout the Grade Level Expectations.

Nelson School continues to focus on what matters most: the documented progress of each student - personally, socially, physically, and academically. One indication that we have quality programs in those areas is that Nelson students at Keene High School continue to perform well. This past year, Nelson had 41 students enrolled at Keene High School. These students are taking advantage of a wide range of academic courses as well as co-curricular activities. In English, 76 percent of the Nelson students earned a grade of "B" or better. In mathematics, 48 percent earned a grade of "B" or better. In science, 74 percent of the students earned a grade of "B" or better. In social studies, 80 percent of the students earned a grade of "B" or better. In world language, 67 percent of the students earned a grade of "B" or better. The overall attendance rate for Nelson students at Keene High School was 97 percent compared to the overall attendance rate of Keene High School of 95.1%.

Nelson seniors scored significantly higher in math, English, and writing than the national average score, New Hampshire average score, and Keene High average score. Sixty-six percent of Nelson seniors reported plans to attend post-secondary educational institutions last spring. These schools included: Bethany College, Boston University, Lafayette-Mechanical Engineering, Marymount Manhattan, NHCTC (2), NHTI, Quinnipac, St. John's, and UVM.

At least one Nelson student participated in each of the following KHS extra-curricula activities: Band, Boys Cross Country, Boys Freshman Soccer, Boys JV Soccer, Boys Soccer, Varsity, Boys Track, CCC Student Home Builders, Chorus, Class Council - Gr. 10, Class Council - Gr. 11, Class Council - Gr. 12, Destination Imagination, Drama Club, Envirothon Team, Family Career & Comm., JV Field Hockey, Varsity Field Hockey, Varsity Football, French Club, Girls Cross Country, Girls Lacrosse, Girls Track, JV Girls Volleyball, Girls Varsity Volleyball, Gymnastics, Improv Club, Interact Student

Rotarians, Latin Club, Math Team, National Art Honor Society, National Honor Society, Nordic Skiing, Ping Pong Club, Student Council, Students For a Free Tibet, Swimming – Diving, Ushers Club, and Youth & Government.

The strong collaboration between administration, faculty and the Nelson School Board continues and grows stronger. The annual school board/staff retreat is a significant factor in this collaboration. As a result of the 2007-2008 retreat, the following goals were established for the school year:

1. Assess academic performance in writing and science and focus efforts in these two areas.
2. Create a sequence of technology skills in each grade that focuses upon real world learning.
3. Refocus and revisit the social curriculum to support social skill development, peer relationships, and the feeling of community throughout the school.

Much of the success enjoyed by Nelson students can be attributed to the support shown by Nelson residents in support of their young people. Community and parental involvement remains high and sets an outstanding example for other communities to emulate. The spirit of community volunteerism is best exemplified by the dedication of the Nelson School Board to provide every child with the means to reach his/her full potential. The many hours of volunteer support serve Nelson children well as they pursue their educational journeys.

Please join us at the annual district meeting on Friday, March 7<sup>th</sup> at 7:00 p.m. at the Nelson Town Hall. This is your opportunity to participate in the decision-making process that will shape the quality of education provided Nelson students in the years ahead.

*Wayne Woolridge*  
Co-Superintendent of Schools

## PRINCIPAL'S REPORT

Thank you for your support and approval of the 2007-2008 school budget. This year your support allowed us to provide three after school activities for Nelson students and continue sending fifth and sixth grade students to ecology camp. The school now boasts an outstanding entryway that looks as if it has always been there, a new roof, and a storage shed for educational materials.

Nelson School opened its doors for the 2007-2008 academic school year with a total of 42 students in readiness through sixth grade. This year we were fortunate to welcome two new families and their children to the Nelson community-- Bill and Kathy Scanlon and their sixth grade son Daniel and Steve and Melissa Leopold and their first grade son Blake.

Nelson's core teaching staff has remained intact this year with Cindy Benner teaching R/1/2, Kristin Mullins teaching 3/4, and Tina Lepple teaching 5/6. The retention of an experienced core teaching staff is vital to the success of Nelson students as it provides continuity of programs and transitions and a professional collaborative learning community that demands growth and values expertise in this new age of school accountability. The town is fortunate to have such a dedicated experienced staff guiding the development of its children.

There have been many changes in support staff this past year. Becky Kohler, Nelson's new guidance counselor has made wonderful connections with students and brings to her position the qualities of professionalism, calm, and introspective thinking. Karen Nickerson, our school nurse, brings to us thirteen years of expertise, practical knowledge, and has organized and updated our current nursing procedures. Carol Whippie, our new music teacher and a recent graduate from Keene State College, brings with her ideas to help us create a stronger community amongst students. Dan Durand, our new, highly experienced physical teacher has brought snowshoeing and ice skating back to Nelson School as well as new adventures such as rock wall climbing at Franklin School in Keene. Carol Yadeta, an experienced tutor works with students in Title I language and Martha Silk, a seasoned educator works with Title I students in mathematics. Our school is once again shiny and clean with the addition of Rachel Lakin who keeps us all laughing, and finally Herb Miller who takes care of "the little things" on an as needed basis.

During our annual School Board Retreat in early October, the staff and school board members set the following goals for the 2007-2008 academic school year.

### Goal #1

- 1 Assess academic performance in the areas of writing and science and provide professional development activities in these areas.

### Goal #2

- 2 Create a sequence of technology skills for each grade that focuses upon real world learning.

## Goal #3

- 3 Refocus and revisit the implementation of the social curriculum to support social skill development, peer relationships, and a feeling of community throughout the school.

In our never ending quest to be accountable for student learning, comply with state mandates, and best meet the needs of Nelson students, the Nelson staff continually looks for ways to best prepare your children. In this day of teacher accountability and for the expectation that students meet prescribed benchmarks to demonstrate competency and proficiency, it seemed like an opportune time to incorporate a Science Fair for third and fourth grade students knowing that students in fourth grade will now be assessed in science during NECAP testing in 2008. This has been an exciting opportunity for students that allows and encourages them to follow their passions and explore areas of interest while developing scientific skills.

We continue our professional alliance with the renowned reading specialist Dr. Carol Tolman as we strive to provide the very best instruction in reading to the students we teach. Carol has taught us to push ourselves to our limits and demand that each and every one of our students meet the necessary benchmarks to become effective readers. Although we chose not to participate, Carol invited us to present our work with Nelson students during the past three years at the national level. This was really a feather in our cap and validated the importance of the work we are doing with students.

The Nelson staff continues to use teacher-generated, grade level academic goals and objectives that are coordinated with SAU curricular and State frameworks. New science and proposed social studies curriculum are being put in place and provide the structure for academic planning, instruction, and evaluation.

Classroom teachers continue to implement literature/theme based reading programs with an emphasis on the whole reading process. In the primary grades programs emphasize phoneme awareness, decoding, sight word recognition, vocabulary, and comprehension. In the upper grades student reading programs become more individualized and literature groups are utilized. Students continue to work toward their grade level reading objectives, which focus more on higher order thinking skills and vocabulary. Both reading comprehension and knowledge of literary elements and genre are emphasized. Students in the upper grades integrate reading with theme-based social studies, history and geography. Throughout grades 1-6 students have experience reading a variety of genres, which is reflected in book choices and writing.

The writing process is also an integral part of our language arts program. Students are given many opportunities to write short, directed pieces (to describe, to instruct, to reflect an opinion, to summarize, etc.) In response to our annual goal of assessing student writing and participating in appropriate professional development activities, the Nelson staff attended two workshops on how to use graphic organizers to help students become more effective writers.

We continue to implement the Everyday Math program school wide. This is a very challenging math program, which emphasizes thinking and problem solving rather than rote learning. The curriculum spirals and allows concepts and processes to be continually brought back to the students' awareness throughout each year's program. Each year we see our students' interest and confidence in math increase as they move through the grades; and in general, our graduating sixth graders are very prepared for the middle school math program.

Our very first Open House/Potluck Dinner was a great success with a seventy-seven

percent participation rate. The food was yummy with an assortment of textures and flavors for everyone's tastes and from the empty bowls enjoyed by everyone. The goal of the evening-reconnecting with one another and building new relationships was accomplished.

In early December community members Judi Lang, Joy Birdsey, and Sue Kingsbury shared their talents and skills with children and families by guiding them through the process of making Gingerbread Houses. With the continued support and help from Nelson families and community members, we are able to provide these types of enriching, family oriented activities.

One of Nelson School's hallmarks has been involving students in community service projects. This year Nelson students participated in Trick-or-Treat for UNICEF, a canned vegetable drive for Keene's Community Kitchen, holiday caroling at Harborside Nursing Home in Keene, and creating and sending cards to soldiers in Iraq. Under the tutelage of art teacher Marylise Reilly, Nelson students created bowls, which were then donated to the Community Kitchen. These bowls were then filled with delicious hot soup and purchased by "guests". Local musician and Nelson resident John Cucchi donated his time and provided live entertainment for this worthy fundraiser. Once again the Nelson staff decided to continue with Casual Friday to raise money for the Dana Farber Cancer Center. The annual fall Scholastic Book Fair held in November raised a total of \$212.00 for classroom library books. Your donations of spare change and single dollar bills raised money, which was matched by Scholastic Books, to put books in the hands of needy children.

In November, Todd Watkins, from the Elm City Rotary Club presented dictionaries to each child in the third and fourth grade for the first time. Joining Todd for the presentation of these dictionaries was Bill Gurney and Wayne Woolridge, Co-Superintendents of SAU 29.

When we returned from the winter holiday break, the first of three after school activity clubs began. This year chess, digital photography, and soccer clubs will be offered. Each after school activity will last approximately six weeks and be organized and run by a teacher.

This year the Nelson staff chose "Wellness" as its all-school theme. In mid January each class wowed the audience with what they had learned. The students in R/1/2 memorized and recited vegetable jokes and poems and sang a vegetable version of the ever-popular song Barnyard Dance. The students in 3/4 shared their knowledge of milk, nutrition, and economics through small group presentations. The students in 5/6 focused upon environmental issues (pollution, recycling, environmental disasters, habitats, and deforestation) and used technology in their presentations. It was an exciting night where teachers, children, and parents were proud of their accomplishments.

Children's Stage Adventures returned to Nelson School for another week long theatre residency. Once again the entire population of Nelson students participated in "The Princess and the Pea" under the guidance of Rob and Lorrie Gray from Sullivan, New Hampshire. CSA continues to be a favorite amongst staff, students, and parents.

Our affiliation with the Harris Center remains an integral part of our science curriculum. The students in R/1/2 learned about animals native to Nelson. The students in the 3/4 class participated in a unit on bears that enriched existing curriculum, and the students in the 5/6 class focused upon vernal pool ecology, which will segue into their trip to ecology camp at Ferry Beach in May. The Harris Center for Conservation Education is dedicated to promoting understanding and respect for our natural environment through education of all ages, direct protection and exemplary stewardship of the region's natural resources and programs that encourage active participation in the great outdoors.

This year Nelson School received two donations from community families. The first

donation allowed Nelson School students to continue participating in Monadnock Music's widely acclaimed; innovative outreach program entitled "Lend An Ear". This program enriches our music program by exposing students to a variety of musical instruments by top-level professionals. We also received an extremely generous donation from the Carlisle family who appreciate the efforts of the school in providing a quality education for Nelson community students. This family donation was given with the understanding that a portion of it be given to the classrooms where Don and Kerry's children are being educated and the remainder of the money to be used for any purpose whether it is educational supplies, enrichment experiences, or building projects! How fortunate we are as a community to have these families recognize the value of education and give freely on their own for the betterment of all children in the Nelson community.

A school is only as strong as its community support, staff commitment, and volunteers. A heart-felt "thank you" to Jessica Bigaj, Laura Scott, Susan Vizcaino, Kerry Carlisle, Kathy Mullen, Betsy Street, Chris Bouchie, and Joy Birdsey for recognizing the need and importance of a vital parent teacher organization and working collaboratively to jumpstart the new Nelson Parent Teacher Organization (PTO) back into existence.

Nelson School continues its collaboration with the Olivia Rodham Library where Nelson students learn library skills under the direct auspices of Kris Finnegan. Without the generosity of Packersfield (our Parent-Teacher Organization), this wonderful program would not be possible.

If you are not able to visit with us at Nelson School, you can now learn about us at [www.nelson.k12.nh.us](http://www.nelson.k12.nh.us). We hope you find this site helpful and informative.

Nelson School remains a great place to teach and learn because of the staff, specialists, community members, school board members, parents, and all others who have helped create this wonderful community of learners. Together we really make a difference for the children of Nelson.

Respectfully submitted,

*Sheila Vara*  
Teaching Principal

The Nelson School Board has been very active on SAU 29 Board level committees this year. Tom Newcombe has served on the SAU 29 Technology Committee that makes decisions regarding technology for the entire SAU 29 District. Tom was a major influence on the SAU 29 Central Office Lease Committee that ultimately negotiated a long-term lease for the SAU 29 central office, bringing stability to this issue. Kelly French chaired the SAU 29 Organizational Structure Review Committee that is examining options for the organizational structure of the Superintendent's office.

Many thanks to Anne Cucchi for her years of service to the Nelson School Board. Anne resigned mid-year for personal reasons and Betsy Street stepped in to fill out the remainder of Anne's term.

Nelson Elementary School students continue to leverage the quality, nurturing education they receive from the Nelson Elementary School Staff by performing well at the middle school and high school level, on average exceeding the performance of the Keene Students. Thank you to parents and extended community members who encourage Nelson Students: Nelson student's overall attendance is 97%, compared to overall Keene High attendance of 95.1%. The overall GPA for core courses for Nelson Students at KHS was 2.92 compared to the overall GPA for core courses of non-Nelson Students of 2.66. Congratulations to all our students and best wishes for continued success.

The Nelson School board meets on the Third Thursday of every month except July and August. Meetings are held at the Nelson School at 4 pm. Parents and public are welcome at all meetings, whether you have a question, a concern or would just like to observe.

Respectfully,

*Kelly French, Chair*

*Tom Newcombe*

*Betsy Street*
